

NOTICE

Dear [Governor name here]; halito,
i view you as a man acting in the capacity of Governor;
i am [man or woman whichever you are], [your name or aboriginal title goes here];
There are enough of us American Aboriginals aka American Indians all over the country, who wishes to exercise their rights to TRAVEL, but the DMV is interfering with this right;
Whereas, the Judiciary and legislative branch of Government is saying that the law require us to have a Driver's License, and that is unlawful; it might be legal but it's unlawful.
Whereas, we reserve our creator given rights to TRAVEL our ancestral lands without a Driver's License; that is a form of forced assimilation.
Whereas, we are not operating in commerce, therefore, we require of you to get the DMV to modify.
We have pointed out the problem, and we are offering the solution;
For every one who turns in their License, they have to provide a special tag made for people who wishes to be exempt from using a Driver's License when TRAVELING; or the people can make up their own in order to alleviate the burden of cost on the state.
Whereas, It is unlawful to turn a right into a privilege and charge for it; The tag can simple say, RIGHT TO TRAVEL.
We believe that should be done posthaste for men and women who wishes not to be harassed or harmed on the byways and highways in their means of TRAVEL.
Our wish is to exercise this HUMAN rights; The right to TRAVEL.
Looking forward to an immediate response from you, thanks.

Respectfully,
